Date: 09/01/2025

To Whom It May Concern,

This is to certify that **Mr. Arafat Khan** worked with BluBYT Inc. (SMSNXT) as a Frontend Developer Intern from **January 2025 to August 2025**.

During his work tenure, Arafat demonstrated professionalism, dedication, and strong technical skills. He was actively involved in developing and optimizing responsive user interfaces using React.js, JavaScript, CSS, and Bootstrap. He contributed to building interactive components such as dashboards, message composers, and contact modals, while also integrating APIs to ensure real-time data synchronization and dynamic content updates. In addition, he collaborated closely with the backend team to refine user flows and ensure seamless functionality across the platform. His work further included testing, debugging, and documenting frontend modules to maintain high-quality standards.

We found Arafat to be a quick learner, a reliable team player, and a detail-oriented developer who consistently delivered his tasks with efficiency and accuracy. We are confident that the skills and experience he gained during his internship will serve him well in his future career, and we wish him continued success in all his professional endeavors.

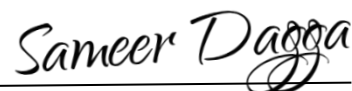

Sincerely,

Sameer Dagga.
